

The Garfield MESSENGER

The Garfield Messenger is an award winning student-run media organization that provides news and commentary on issues relevant to the Garfield community. Subscribing to 2018 - 2019 *Garfield Messenger* is a great way to support student journalism while remaining up-to-date on things that are happening around Garfield.

Our budget is largely dependent on your contributions, as your generous donations help to upgrade our equipment and keep it free for our student audience. *The Messenger* offers four levels of subscription, so please choose the level that suits you best. All levels of subscription will receive each issue of *The Messenger* by mail, while those who subscribe at the Friend, Patron, or Benefactor level will also have their name or the name of their business printed in each issue.

Thank you for supporting *The Messenger*! Your contribution is appreciated.
