Please Support the Garfield Community PTSA Annual Fund

Help us reach our 2019-2020 goal of $135,000!

When you donate to the Annual Fund—whether it's $10 or $1,000— your student benefits, as do ALL students at Garfield High School.

The Garfield Community PTSA's Annual Fund—powered by your donations—funds a wide variety of programs aligned with the vision and goals of your school and boosts the success of ***every student*** at Garfield in many ways, such as:

- ***Student achievement programs***: We provide financial support for AmeriCorps teacher aides, Y-Scholars and College Access Now, College & Career Center advising, the Writers in the Schools writing success program, and a variety of other programs.
- ***Classroom needs***: We provide stipends to teachers and also purchase basic classroom supplies, library materials, studio art and photography supplies, sets of books for classrooms, and much more.
- ***Health and student wellness***: We help fund the athletic trainer and provide financial support for students and families in crisis.
- ***Race and equity***: We support the student-driven Congress of Racial Equity (CORE) and its cultural relations program.
- ***Small grants***: These include subsidizing yearbooks for low income 12th graders and supporting the debate and robotics teams, the Black Student Union, and *many* others.
- ***Social functions***: We help fund social events including the 9th Grade & New Family BBQ, college and career success nights, and the Safe & Sober Grad Night.

There are many ways to make your tax-deductible donation: You can send cash or write a check, donate online using VISA or MasterCard, set up United Way payroll deductions, or donate shares of stock—all donations are welcome! **Be sure to check with your employer about matching donations—these are a major source of funding for the PTSA and can double or even triple your own contribution.**

Please complete the information on the back of this form and send it in! **Thank you, and Go Bulldogs!**
