Help Improve Health Care for Teens!

Join the UW LEAH Parent Advisory Board
The UW LEAH (LEAH = Leadership Education in Adolescent Health) Parent Advisory Board will share their perspectives and advise adolescent healthcare providers across multiple fields including medicine, nursing, nutrition, psychology and social work.

Meet virtually monthly to:
- Collaborate with healthcare providers and teens
- Educate health providers about the parent experience
- Create and develop projects related to improving teen healthcare
- Discuss topics such as:
  - Mental health and stress
  - Substance use and abuse
  - Healthy lifestyles
  - Sexual and reproductive health
  - Confidentiality and teen rights
