

# GHS Safe Schools Action Plan

## Immediate Actions for Safer School Setting:

- Additional SPS Security Personnel
- SPS Trauma Response Team on campus through EOY
- Online School Option or other accommodations
- Waive Make Up Days for the 2 Cancelled Days
- SPD Presence on and around Campus

## Long Term Solutions:

- Reinstate SROs on Garfield Campus
- Fund 2 additional SPS Security Personnel through next year

There will be more to come, these are just immediate asks.

Alternate Schooling Options Through EOY

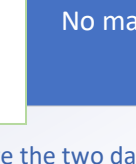

ASK:  
Allow students to conduct the remainder of the school year online where available, or limit penalties for students who are unable to come to campus for the remainder of the school year.

Trauma Response team to campuses now through EOY

ASK:  
Send Trauma Response Team or other District Mental Health professionals to the school to support Students and Staff through the end of the year to process the tragedy and their ongoing grief and trauma.

No make up days

ASK:  
Waive the two days of canceled school for the year and do not require they be made up at the end of the school year. These are to protect the students health and wellbeing and they and the staff should not be penalized for making this time a priority.

SPS School Board

District 5 Director

Michelle Sarju

Board Meeting Calendar:  
<https://www.seattleschools.org/about/school-board/meetings/>

Executive Meeting 6/10 – this doesn't look like a public meeting but we should attend anyway

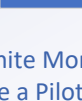

Additional SPS Security Personnel

ASK:  
Superintendent: Staff the school with a minimum of two (2) additional security personnel through the end of the year, can be private security as was done last year.

SPS Board: Fund two (2) additional district security personnel next year to support the larger student body at Garfield and as a reflection of the ongoing violence around the school community.

Remove the moratorium on School Resource Officers (SROs)

ASK:  
Waive the Indefinite Moratorium on School Resource Officers for Garfield. Initiate a Pilot Program at Garfield to reinstate these officers. Students, Staff, and Parents know the value of well-trained, protective SROs from the absence of them the last few years. We suggest partnering with the CARE Team (Seattle 9-1-1) to incorporate Mental Health Professionals (MHPs) into this pilot. The key to a successful reintegration of SROs onto campus is for them to be there to Protect, Guide, and Nurture students, and not to conduct law enforcement activities or take over disciplinary duties from the campus administration.

SPD Presence on Campus through EOY

ASK:  
Seattle Police Department must prioritize the Garfield Campus for daily presence and patrols. This must continue through the end of this school year as we know it is a deterrent to violence. They should be on campus for the hour prior to school starting, during lunch, and for the hour following dismissal, the remainder of the day they should be within a 30-second response-time to the campus.
